

Geographic Distribution of HUD Funds Received by CTED By Program Per Capita 2002-2004

Map Notes:

CDBG

State CDBG eligible or *non-entitlement* cities and towns are those with less than 50,000 populations or counties with less than 200,000 populations provided the cities, towns, and counties do not participate as members of HUD Urban County Consortiums. The *entitlement* jurisdictions receive CDBG funds directly from HUD. This map does not show the amount of CDBG funds received by the entitlement cities or counties, but only shows the geographic distribution of state CDBG funds.

ESG

Counties showing lesser amounts per capita may be counties that receive their funding directly from HUD or small counties that have a lesser need for ESG funding or have declined to apply for ESG funding, such as Pacific County. The counties receiving their funding directly from HUD are King and Pierce.

HOPWA

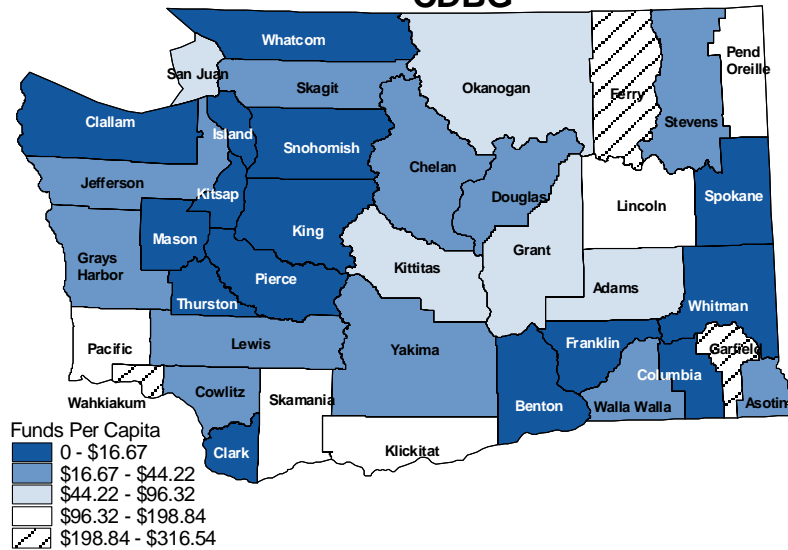

Counties showing lesser amounts per capita may be counties that receive their funding directly from HUD or small counties that have not expressed a need for HOPWA funding. The counties receiving their funding directly are from HUD are King, Island, Clark and Snohomish. Skamania County is served by Portland EMSA.

HOME

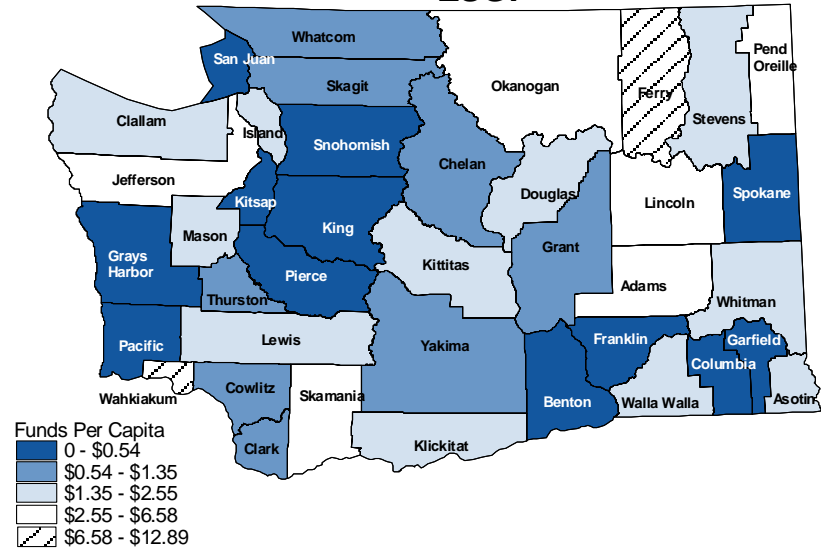

Counties showing lesser amounts per capita may be counties that receive their funding directly from HUD. Tenant Based Rental Assistance and Housing Repair and Rehabilitation funds are targeted to households in areas of the state not served by local HOME participating jurisdictions. The development program for rental housing awards funds statewide.
